GLORIOUS MEETING

AT MAIN STREET RINK is the undoing of the Filipinos. LAST NIGHT.

splendid playing by the Richmond ous peoples or diversified communi from Earlbam college; there was enthusiasm to burn, there was an audience of 2,500 people—all at the Main Street rink last night. But that was want to see one—is in the continunot all. There was a speech that ance of American rule, covered the Philippine question from "Do I hear complaints that the condemn the administration's policy, And, indeed, the progress made since after the speech was ended. The last November has been not only en-

speech of President Schurman began,

"The issue of the campaign is the maintenance of the prosperity of the people and the honor and good name of the nation. Under Republican control the blight which four years ago blasted the activities of labor and paralyzed the movements of capital has given place to the bloom and fruitage of a splendid prosperity, which hes before you in every netd of production, transportation and exchange. The farmer, the mechanic and the merchant, the consumer and the producer, the man who receives wages and the man who pays wages, all alike rejoice in the good times which encompass them as with an

atmosphere of joyous abundance. "Under Republican control, too. the financial integrity of the nation, which Democrats menaced with a program of repudiation, has been kept unsullied; and, in obedience to the polestar of national honor and duty, the sovereignty of our new speech. The ground had been covpossessions has been inviolably maintained. The Republican party comes before you, therefore, with a record of high and hono able achievements, and it solicits authorization to continue them four years longer. It desires to do in the future what it has done in the past. Its promises today are guaranteed prises that made the audience simby its performances of yesterday. It has no new 'isms' to lay before the The deeper he got beneath the lovers of novelty, no fads to beguile epidermis of the perambulating, peri the credulous and unwary. Its sim patetic, palavering prophet ple program is the conservation of the Platte, the more his audience that prosperity you now enjoy under was delighted with the vivisection. the protective tariff and the gold Yet the speech was not all ridicule standard, and the maintenance of the patien's authority wherever it is renation's authority wherever it is resisted and of its honor and prestige people home especially the point wherever the American name is about the impossibility of an empire known. That's all; nothing more. or imperialism under the constitution that Bryan "wants to see enforced one, I can not believe that the American people will fling away prosperity or renounce the economic and financial conditions on which it rests. find it impossible to imagine then embracing the insane and immoral character has been revealed not only now also by the lessons of experience. And I know for an absolute certainty that Americans will not Schurman for his only speech in Inpull down the flag where it has been diana, though!" raised by solemn treaty, where inter- people have needed. national law expects it and where it is imperiously demanded for the protection of the life and property of the him.
